PRESIDENT'S CHIPS

It is a brand new year, a time for thinking about the future and a time to remember the past. It is a time to plan and a time to take care of all the things we put off for the holidays. And so it is with the IOWMC. As I contemplate the task ahead, I see a club that could do more for the members. But what? Here are some items that may spark some interest among the membership:

Putting together catalogs of all woods from each state to include officials, store cards, good fors, organizations, personals, numismatic, other categories and publish them in BC;

Meetings at local and regional shows through the year;

Creating a slide show about wooden money for the ANA video Library;

Sharing your hobby with local organizations, including schools and civic organizations

Of course, each of these programs would need dedicated people to ride herd over them. Take, for instance, the cataloging idea, borrowed from the Associated Collectors of Encased (ACE). Everyone has an inventory of the woods they have, and they can and should be shared. Each state has an official cataloger and inputs are sent to that individual for collating and organizing. Once a decent list is created for any state, it is sent to the editor for inclusion in the newsletter, and updates can come at future intervals. Is anyone interested in this?

Holding meetings at local or regional shows would need a member to contact the show organizers to set up a meeting time, informing members in the area about the meeting, then holding the meeting itself and writing up results for BC. Any takers for these projects?

Many of our members have extensive collections that would make a wonderful presentation for the ANA Video Library that members and non-members could check out and enjoy. Is anyone up for something like this?

Local outreach gains several important benefits, including sharing a joy of the hobby with others, getting kids interested in collecting wooden money, and perhaps creating enough interest in your town so new issues of wooden money are made. Is there going to be a town anniversary in your area? Step up and help them create a nice souvenir of that celebration and then telling the rest of us about it in BC. I'm doing this for my city's Sesquicentennial.

This organization would give support to any and all of these efforts. All it takes is some dedication on the part of the individual members. I would love to hear your views and ideas about how to make IOWMC a dynamic organization. You can write to P O Box 3003, Nashua, NH 03061-3003, or you can contact me by email at bobfritsch@earthlink.net Better yet, send a letter to Robbin as a letter to the editor in Bunyan's Chips so everyone can see it!

Until next month- Bob

FROM THE EDITOR'S DESK

Our publication is going through growing pains once more folks! I purchased a newer computer system late last year and have been trying to ready myself for the transfer of software to the new computer. I hope that you will enjoy the new format and find the overall layout to be an improvement over the old type.

Let's not forget to send in material for Chips so that I can mail out the best possible newsletter to our membership. Speaking of membership, if there is a **2002** date at the bottom left corner of your address label you need to send in your dues to our secretary. Unpaid dues will result in being dropped from the mailing list after March. Until next month- *Rob Quinn*

ANOTHER "TWIST" AT DAIRY QUEEN

By: Russ Daisley

Over the past couple of years, we have been all diligently looking for those Dairy Queen woods to enhance our collection. Some folks have been a little more fortunate than others. My look for DQ woods gave me a bad taste in my mouth. I couldn't find the woods, but did find a yellow/black cardboard disc, which was being used for small cones at DQ ice cream locations across the country. Then, low and behold, they still did not make woods, even after a couple of letters to the DQ management, telling them how our hobby was being ruined by replacing woods with cardboard. I even pointed out the life span of a piece of wood would be greater than cardboard, even in a fire. I was surprised to learn that my collection search would be at the grocery store with DQ advertising on sales tapes from the stores. I did get a few of the tapes to place in my book with Dairy Queens, but **still no woods.**

("TWIST" Cont. from page 2)

Now what should I do in looking for these woods and always finding some snag and no wood! The answer comes from a DQ store. I still haven't picked up a lot of DQ woods for their famous ice cream, but, back in May, I obtained the DQ wood shown with this article. The wood is issued by the DQ on Hadley Road in Greenville, PA. The wood, as you can see, is not for a cone or sundae, but for a small Pepsi! From cardboard, to sale slips, and finally to wood. However, the wood reflects still a twist, in this case, Pepsi Cola. I talked to the management and learned that the headquarters of DQ is sponsoring the woods with Pepsi on them. So, we may see some more woods in the future.....we all hope so. The wood pictured at the start of this article had 2000 made for the store in Greenville, and are all in red ink on both sides.

WANTING TO BUY!

Olean, NY, flat woods. Paying **TRIPLE** the catalog price for undamaged pieces. Send with invoice. Buying just about every other kind of wooden money or wooden medals. Write to Norm Boughton, P. O. Box One, Macedon, NY 14502

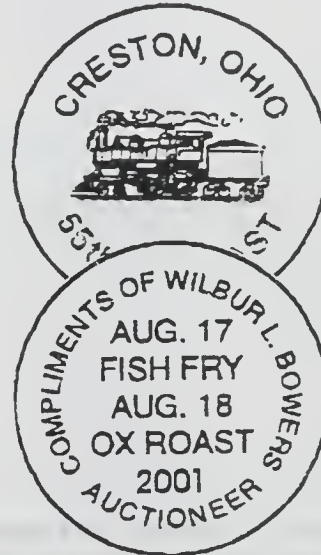

A DAIRY QUEEN UPDATE

By: Bob Brown

During last summer I received the two woods shown above from Craig Myers of Lagrange, GA. These are different from most of the tokens in my book in that the Dairy Queen logo is smaller and instead of an asterisk below the logo there is an R in a circle, which is the symbol meaning "registered trade mark".

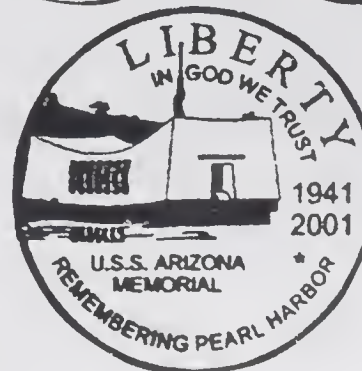

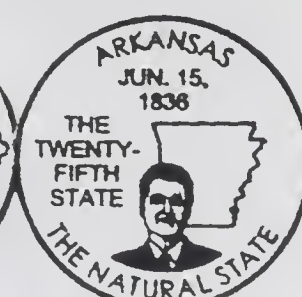

Another difference is that on the second token the R is above the logo instead of below it. The obverse side of the token is very similar to that used on the aluminum tokens that many of the Dairy Queen's now use. Both of the tokens are red in color. Since both of these tokens have been well handled it was hard to get a decent copy of either of them. If any of you have any Dairy Queen's that you would like to report please send me a good clear copy of the tokens themselves, and let me know the color. Send the copies/tokens or any information that you have to me at P. O. Box 124, Highspire, PA 17034 **THANK YOU**

PRESIDENT'S CHIPS

We have had a good response to the cataloging initiative so far. Mr. Bob Kirk of West Virginia and Mr. Pete Smith of Minnesota have stepped forward to catalog their states, and I thank them both. Those lists, along with my own New Hampshire list make a good start for the endeavor. How about your state? It is never too late to follow the example of these two gentlemen.

The issue of a catalog number for each wood has come up with the suggestion MN-CC-85-NW for Minnesota/ Coin Club/ 1985/ Northwest Coin Club. What do you think? Is this sufficient or is there a better method? Thanks to all who sent Holiday woods to me. I did not issue one this past season and will try to do better for 2002.

I'm off on a 6 week business trip to float around the Pacific Ocean with the Navy. I will be available on email bobfritsch@earthlink.net during our port calls but regular mail will not be seen until the end of March. Please bear with me and I will respond as quickly as I can.

Bob

FROM THE EDITOR'S DESK

This will be the second to last mailing of Bunyan's Chips to members who have yet to pay their 2002 membership dues. Please take a few minutes and mail out your payment to Del Cushing today! The club newsletter is undergoing the changes I noted in last months issue. I hope that you will enjoy reading the newer updated issues planned for this year. I still have some other changes that are in the works for later issues and I cross my fingers that you will like them as well. *Rob Quinn*

A little Piece of Paradise

During the year, 2001, Eastham was celebrating a 350th Anniversary. There are not many communities in America that can claim 350 years of colorful history, even less have done so on wooden nickels. Eastham is a little piece of paradise, a narrow strip of land bordered by the mighty Atlantic Ocean on one side and Cape Cod Bay on the other. The town has long been known for its natural beauty and rural character with lovely marshes, ponds, and woods as well as breathtaking ocean vistas. Not commercialized, not suburban, the town offers a special way of life for both residents and visitors from around the world.

This community, nestled between two seas, is one of the oldest in English-speaking in North America. The Nauset Indian community had been here centuries prior to the white settlers, living a peaceful life of fishing, hunting, and farming. The first meeting between the local Nausets and pilgrims from the Mayflower occurred in 1620 at Eastham's First Encounter Beach, near what was then Nauset Harbor. Soon after, Eastham was settled by pilgrims who were dissatisfied with their land opportunities in Plymouth. Many descendants of these first settlers still live in Eastham and their names grace businesses, street signs, and mailboxes.

Eastham also has a rich heritage associated with the sea-its outer beaches and foggy bay side have seen numerous shipwrecks over the last three centuries. Storms would cause the remains of ships and their bounty to pile up on Eastham shores, creating opportunities for salvage as well as fostering enterprises to help shipwrecked seaman. It is also a history of people foraging a living from tilling the soil, whaling, fishing, salt works, asparagus, and turnip farming.

Today, Eastham is best known for its beaches and conservation areas. You will find that one third of Eastham is preserved by the Cape Cod National Seashore. With its proximity to nature, wild beauty, and small town atmosphere, most Eastham residents could not imagine living anywhere else.

The logo on the wood was copyrighted by the town and was used on different items that were sold to help offset the cost of the celebration. Wooden nickels were issued that show the logo on one side and the name of a business who donated to the fundraising effort on the other. There are 12 different pieces to the set and all are printed in blue ink. Each wood was also stamped with a letter (A to Z) and a number (0 to 9). Prizes were awarded to people collecting woods from at least 3 different businesses and spelling out EASTHAM 350. Technically there are 26 letters times 10 numbers times 12 designs or 3120 different woods which makes this by far the largest set of official woods ever produced. A limited number of sets having the 12 woods are available from Clint for \$10.00 post paid. Send your order to: Clint List, 55 Wood Song Drive, Eastham, MA 02642

The celebration story can be viewed online at www.eastham350.com

QUODDY MOCCASINS WOODS

The Quoddy Moccasin Company produced moccasins out of Maine for many years. Their product lines could be found in retail outlets, gift shops, shoe stores and leather outlets as well.

Maurina Boughton, with assistance from Bob Brown, Robert Fritsch, Clint List and Floyd Thomas, has put together a listing of the known Quoddy wood issues. This listing is for sale to Quoddy wood collectors and anyone wanting to add this to their library for just \$1.00. Maurina would also like to hear from other Quoddy collectors! Mail your request to: Maurina Boughton, P. O. Box 1, Macedon, NY 14502

YOUR DUES ARE NEEDED

March will be the last mailing of Bunyan's Chips to members who have not paid their 2002 club dues. At this time, there are 55 current members who have not. Only through the club dues, paid ads, club sponsored mail bids and donations from members, are we able to stay ahead of the growing cost of printing and postage. PLEASE take a few minutes and mail in your dues today! Del Cushing, P. O. Box 88984, Seattle, WA 98138-2984

A Memory Jog I "Wooden" Forget

Recently I came across a wooden nickel, which brought back some memories of some misspent youth. The piece simply stated "This Swiss Dollar is Good For Twenty-Five Cents In Trade On Or Before Green County Cheese Days Sept. 16-17, 1972". Aaaah. Yes the memories of Monroe, Wisconsin and the Green County cheese days I spent there back in the late 40's and 50's. A friend and I would hear about the celebrations and skip school to go. The next day the principal would ask us how the fishing was as we were known to skip school on occasions to wet a line. We always told him the fishing was lousy and that we didn't have any luck. We only received 4 hours of detention when that happened. He even asked us to take him the next time we skipped to go fishing. Never did ask him to go with us.

The creameries in Monroe would open their doors to visitors to sample the cheeses. The breweries from Milwaukee would set up tents in town to dispense their product. In those times it was 25 cents a bottle with NO DEPOSIT. All you had to do was buy a loaf of bread from one of the bakeries, a bottle of beer and off to the various creameries to sample the best cheeses in the world. Being partial to the stronger cheeses such as Cheddar, I would have a sandwich of Cheddar and try one of the other offerings such as Blue Cheese. I even tried Limburger once and once only. I left that type to others. Several beers and sandwiches later my friend and I would have to leave for the drive home to Rockford, ILL. Monroe was about 50 or 60 miles from Rockford but the roads were not of the quality that they are today. We took turns driving while the other slept. Good beer and sandwiches will do that to you. I had to find out where this "Swiss Dollar" was really from. To the computer and some software that might give me the information. Hopefully. Just for kicks, I typed in Monroe and told the computer to search. There are several Monroe's in the United States, one being in Wisconsin. I asked for a map of the area and sure enough Monroe, WI. Is in Green County. That is one "Swiss Dollar" that is now a permanent part of my collection and fond memories as well.

2002 IOWMC BENEFIT/RAFFLE DRAWING

It isn't too early to start thinking about the Benefit/Raffle Drawing for year 2002. The annual meeting will be held a month earlier this year. I am making a request for the membership to be thinking of what they can donate to this very important activity of IOWMC. Your input and donations will be greatly appreciated. Write to: Virginia H. Dennis, 1852 Golden Shadow Drive, Henderson, Nevada 89015-8620.

NEW FIND FOR THE MONTH

Norm reports finding a 1949 plywood type round wood from Kingston Tenn. that is not listed in the latest guidebooks. The printing is in very dark blue ink. If you have this issue or wood of this type then drop Norm a line about it. Norm Boughton's Wooden Money P. O. Box One, Macedon, NY 14502

PRESIDENT'S CHIPS

While bumming around the island of Maui (a very good place for that activity), I found the Island Coins and Stamps shop in beautiful downtown Lahaina. Run by Mr. Gordon Medcalf, in all, it contains a lot of Hawaiian numismatic offerings. One of the items I purchased was a nice addition to the library, Hawaiian Money, Second Edition (1991) by Donald Medcalf and Ronald Russell.

This blue-bound volume of over 150 pages contains a comprehensive listing of Hawaiian numismatics, including paper money, coins, tokens, medals and elongated coins. What is curiously lacking is wooden money, with only two blurbs that I have found. One said that a listing was eliminated from this edition because of the lack of space to list the vast number of wooden tokens. The other blurb mentioned the woods of the Hawaiian State Numismatic Association (HSNA), with only one illustration for the several mentioned.

Again there was no listing. Disappointing to say the least. In fact, I did not run across any wooden money during my travels in Maui or Oahu. Maybe I was looking in the wrong places, or maybe wooden money is not as popular in Hawaii as it is in other places. It was fun looking however.

Why am I telling you all this when the report is somewhat negative? Because the reference was worthy of note, and I thought you would like to know. Aloha! *Bob*

FROM THE EDITOR'S DESK

Some of the changes for Bunyan's Chips are now in place. There are other items to be addressed and I will work on them as I find time to do so. I hope that the membership enjoys the changes and have little trouble accepting the things that have been up graded. Thank you to Bob Brown, Norm & Maurina Boughton, Bill Morphet and others who took the time to send in material for our newsletter. The more that is received by the editor tends to make them work harder for the club. I find it is better to set things aside for the next issue than to try and find enough to put together the current issue. Mail in your buy-sell-trade ads and material related to wooden money. Much is on hand and will be placed into the next two or three issues, but there is always room for more so mail it to me members! Don't forget to lend a hand to the members who are cataloging wooden money. This is a major task for anyone and with the effort from all of us will mean less time and a more complete listing for all of us to use. Feel free to send the information to me as well. I'm in contact with these members and will see that it is mailed to the right source. The club seems to be retaining more members than in the past few years on renewals. Somebody somewhere must be doing something right to make members want to remain with their club. What ever it is, I hope that it works for us again next year at this time. **Don't forget** to sign up a new member for this year to keep us strong and growing. Only by working together will the IOWMC see new growth and a strong membership for many years to come. If you know of an event that is being held in your area, forward this information to me and I will make contact with them. This is another way we can work together to see more official wood issues going into our collections. Not everyone has the old issues but we could all have the newer issues

Until next month, your editor *Rob Quinn*

CHATHAM SAVINGS

Starting in 1975, the Chatham Savings and Loan Association (known today as the Peapack Gladstone Bank) located in Chatham, NJ, issued four wooden nickels. Under the direction of the Chatham Savings bank President, Robert G. Huntington Jr., (Retired) the project owed its existence. Justin Reese was the banks advertising and public relations consultant. Being a local history buff, Mr. Reese painstakingly researched the material used for each wood issue. His art associate, Bill Portington (now living in Parsippany, NJ) was the commercial artist doing all the artwork on the wood issues. Each issue of 1975 was a reproduction from minted coinage.

The first wood being the "William Halfpenny", first Earl of Chatham, for whom the Community and many others are named for.

"The Minuteman", was an adaptation of the famous commemorative Patriot Half Dollar of 1925. A later Minuteman issue was printed to encourage students to use the joint Library of the Chatham's. The third issue for the "Continental Currency Dollar" was for the first silver-dollar size coin ever proposed for the United States. Produced only as a pattern piece, it never reached general circulation.

The stunning "Nova Caesarea", is the 4th wood issue for 1975. It is a reproduction of what is called the "Jersey Cent", but which was really a 1/15th of a shilling. A famous Colonial coin that was minted in four places and today has over 76 varieties cataloged. During 1976, a total of 13 wooden nickel reproductions of Historic American Coins were produced by the Chatham Savings and Loan,

one issue for each of the 13 original Unions. These issues were released during the Bicentennial year. Justin Reese was a member of IOWMC during the time of these wood issues (R-1021) He also printed up other types of wooden nickels that most have Chatham in their print. Not falling under the heading of Official wood issues, still a nice set to have in your collection.

WHO IS THE WICKED WIZARD?

Many of us know the wicked wizard wood issues belong to none other than William G. Morphet. Bill has been putting out Scrooge nickels and Voodoo nickels going back to 1983. He is offering 20 different Voodoo nickels for \$5.00 postpaid. To receive his lists, you need only send him an SASE. Bill Morphet, 3360 Chichester Ave., Apt. A-13, Boothwyn, PA 19061

STATEHOOD WOODEN NICKELS

The twenty-sixth and twenty-seventh issues of the Statehood wooden nickels being sold by Barry Healey are now available to collectors of this set.

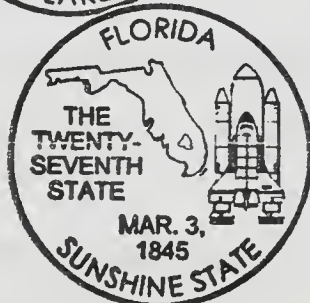

With each order you will receive the Lone Star Newsletter. You can place free ads, find other special offers from Barry and keep up with production records and the value of the woods you have purchased. Also, don't forget that you can join a free collectors group that has been set up by Mr. Healey. This is part of the Yahoo service.

The URL for this group is:

http://groups.yahoo.com/group/wooden_money

Barry also uses this location for posting updates and information on new releases.

Woods are \$1.00 each, 3 for \$2.50, 9 for \$7.00 and 12 for \$9.00 (must all be the same for the discount) And are mailed postpaid. Send your order to Barry Healey, 1129 Hillcrest St., #204, Mesquite, TX 75149

A DAIRY QUEEN UPDATE

By Bob Brown

I recently came across this Dairy Queen wood in a Canadian collection that I'm purchasing. It is from Transcona, Manitoba, Canada and is listed in the Wells catalog and the Belsten catalog but had not been listed in my catalog "A Picture Guide Book Of The Dairy Queen Wooden Tokens". This piece is black instead of the traditional red. If anyone has any Dairy Queen's to report, please send me good clear Xerox copies, or the tokens themselves, so that I can list them in this update and perhaps later in a supplement to my book.. Please send all information to P. O. Box 124, Highspire, PA 17034 Thank You

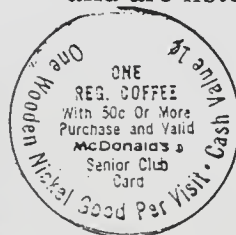

McDonalds Senior Citizen's Woods

By Bob Brown

In the 70's McDonald's restaurants in California issued a set of four (4) woods to be used by Senior Citizens. The set came in four (4) different colors with each color good for a specific food item. The colors and the food items they were good for are listed below.

Black = Coffee, Blue = Cheeseburger, Red = Apple Pie and Green = Regular Fries

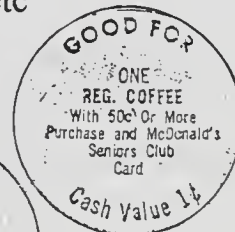

In my collection I have found that there are (4) different reverse varieties. These are shown below and are listed as type 1, etc

Type 1

Type 2

Type 3

Type 4

The following is a list of these woods I have in my collection. I have listed the place name, the address (when it appears on the wood), the reverse type and the colors that I have. Where I have the complete set I have listed "all four".

I understand that these woods were also used at some McDonald's restaurants in Arizona, but I do not have any of these sets so I cannot list them here. If anyone has any of these woods I would like to hear from them. I would also like to acquire any that I do not have listed here. Even if you have none to sell or trade, I would like to hear from you about them so I can add the information to my "want list". I would like to receive a good clear Xerox copy of the woods you have. Send to P. O. Box 124, Highspire, PA 17034 Thank You.

PRESIDENT'S CHIPS

I am happy to announce that **Wednesday, 31 July 2002**, will be Wooden Money Day in New York City. Through the efforts of Bill Snider and myself in conjunction with the ANA, both wooden money clubs will meet on the same day! This is the first time in many years that we share a common day; it is a first in my nine year tenure with these clubs.

This scheduling means that members of both clubs can make a day trip to New York and attend both meetings. If itineraries are scheduled just right, you can arrive in the morning in good time to attend the IOWMC Board Meeting and leave right after the DWMC General Meeting in the afternoon. An overnight stay in this very expensive area can be eliminated.

I know there will be some naysayers who will object to this action on the part of your leadership. However, Bill and I both thought that the benefits far outweighed the negatives, and that the service and convenience to our members was the overriding factor. Of course we expect to see a record turnout to these club meetings since it is so easy to attend both.

So I shall see you in New York on **31 July in the Herald Room of the Marriott Marquis Hotel**. The **IOWMC Board Meeting is at 0930-1100 to be immediately followed by the General Meeting at 1100-1300**. Bring your lunch with you. DWMC's Board Meeting will be 1300-1430 followed by their General Meeting at 1430-1630 in the same room. Please write or email me if you have any items for the agenda. And of course, Virginia Dennis always needs contributions to the annual club auction and raffle.

On a personal front, I have been slow to recover from my big journey in the Pacific. I have not kept up on the progress of the state inventories- I know that my own inventory needs a bit of work before I submit it to Robbin for publication. Our Editor can always use articles for publication in BC. If you haven't noticed the new look of the newsletter, take a good gander at this issue. My hat is off to Robbin for making a quality product even better. But it also depends upon you, the members to give us good articles. So sharpen your pencils and share your part of the hobby with the rest of us.

Happy collecting!

Bob Fritsch

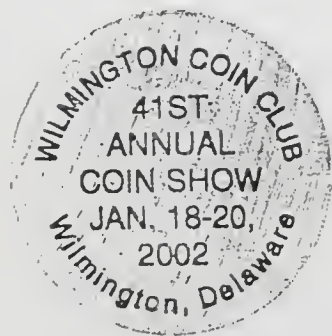

FROM THE EDITOR'S DESK

I have added the ending date of your club membership to your address label. This will help to remind us all when our dues must be paid. If there is an error in your label, please drop me a line with the correction to be made. I will correct these prior to the next issue. I want to thank the members who have taken the time to drop me a line to express how they feel about the changes in their newsletter. You will note that there are more free ads in this issue than most of our past issues. I hope that many of you will take advantage of the free ads you can place in the publication. Until next month *Rob Quinn*

A Picture Book of Montana Wooden Nickels by Bob Leberman is now being cataloged. This will be the second Edition of this work and we would like to hear from collectors who would to contribute to the catalog. We need zerox copies of the woods and the colors of each side. A drawing of the wood will work if the wood is to dirty to zerox clearly. Any information will be appreciated and acknowledged. This is a chance for collectors to help out the hobby and be part of the effort to catalog another state's wooden money. Information can be sent to: Robert Leberman, P.O.Box 1758, Airway Heights, WA 99001 or to Del Cushing, P.O. Box 88984, Seattle, WA 98138-2984 free ad

IOWMC 2002 RAFFLE/BENEFIT DRAWING

Now is the time to start thinking what we all can do to help our organization in raising money to offset the increasing cost we are encountering to operate and having the monthly newsletter. As your Chairperson, I am calling upon the membership to help support this well-worth project.

All contributions will be most welcome. Items and any donations will be appreciated to help make this worthy project a success. Your past cooperation and support has been appreciated and I know that you can be counted upon once again.

When sending in your contributions, please designate if you want it used as a door prize or if it should be an auction item. As in the past, I have mentioned that a one year free dues always is a welcome prize.

Enclosed with this month's newsletter, you will find a self-addressed envelope with a few tickets for our fund raising project. Tickets are only 50¢ each; and it's our wish that you will purchase them all. Don't forget to to write your name and address on the stubs. Return ticket stubs, along with the money, in the envelope provided for your convenience.

Additional tickets are available. The more tickets purchased the more successful this project will be.

IOWMC holds its annual meeting in conjunction with ANA. This year's convention is being held in New York City, NY July 31st thru August 4th. It is very important that you return your ticket stubs, money, and any donations as soon as possible. Send to Virginia Dennis, 1852 Golden Shadow Drive, Henderson, NR 8905-8620.

75th Anniversary of the Hassayampa Inn

The wooden dollar that announces the Prescott, Arizona, Coin club's 28th annual coin, stamp and collectibles show on June 28-30, 2002, also commemorates the 75th anniversary of the Hassayampa Inn, located in downtown Prescott. The obverse, printed in brown, provides information about the show; and the reverse, also printed in brown, has a sketch of the hotel drawn by Karen Lindquist and used with her permission.

In 1920, the City of Prescott and the Yavapai County Chamber of Commerce perceived the need for a first-class hotel to accommodate the growing number of tourists and business travelers. Fund raising started, hit snags, stopped, and began again in 1925. Finally, on February 28, 1927, ground was broken. Henry C. Trost, the architect, designed the grand hotel in the Pueblo Art Deco style, which had strong Southwestern and Spanish Colonial Revival influences; the Ramey Brothers of El Paso did the construction. When the hotel formally opened on November 19, 1927, its amenities included beauty, barber, and flower shops, a gift and curio store, coffee shop and dinning room.

Some of the well-known guests of the Hassayampa Inn over the years have included General Pershing, Tom Mix, Clark Gable, William Jennings, Bryan Gene Tierney, Dana Andrews and Steve McQueen. The hotel's most memorable feature is probably the lobby's magnificent ceiling, originally painted by C. H. Williams, a complete array of ornate decoration and Zuni design.

In 1976, the Hassayampa Inn was listed on the National Register of Historic Places and, in 1985, was completely restored and renovated in strict accordance with those guidelines. New owners are currently planning to renovate each of the historic inn's 68 guest rooms as well as many of the public areas with the aim to preserve the inn's history and to make everything look like it's 1927.

Information about the hotel was provided courtesy of Prescott's Sharlot Hall Museum. These wooden dollars can be obtained for 25 cents each plus an SASE (45 cents for up to two wood issues and 57 cents for up to four woods) from Sandra Wolf, P. O. Box 233, Dewey, AZ 86327

FROM THE EDITOR'S DESK

Information has been coming in well from the general membership. Keep it coming! The more I receive, the more I can pass onto all our members. For many of us it seems that summer will never arrive. We have had the rain this spring to make up for part of the snow that we missed during our short winter months. You still have time to look over your collection and mail in your want lists before everyone starts their summer activities and travels. Remember that mail bids and large ad fees are set by the editor, please contact me prior to submitting one for the newsletter to set the fee for such. Until next month Robbin Quinn

Please put the following in the next newsletter.

I can sleep 4 people at my house to go to the NY meeting of IOWMC/DWMC in Aug. (Single) 1 married couple, 2 single. Then we could go in one car to the meeting and share the cost of parking which will be about \$35.00 for the day. I can also make arrangements for more at a Motel here in town at \$35.00 a night. Would have to know ASAP to book rooms. E. Ted Wolverton (570) 424-1053 Or write me at P. O. Box 501, Stroudsburg, PA 18360-0501

"THE BEAST OF BUSCO"

By: Robbin Quinn

Churubusco, Indiana, is a small rural community of about 1800 people, located 15 miles northeast of Fort Wayne. David Craig and William Walker first settled Churubusco in the frontier days. The history of this town actually began in 1847. The town was divided by railroad tracks, the North side being Franklin and the South side was Union. When application was selected under Franklin for a post office, there was already a Franklin and another name had to be used. The Americans had just won an important victory at Churubusco, Mexico, on August 20, 1847, in the war with Mexico. A Mrs. Jackson had a relative in this battle and suggested that it would be patriotic to name the town as such. Application was made and granted in November of 1847.

The next 100 years of Churubusco's existence left it virtually unknown, until "Oscar came to town".

It all began on July 27, 1948, when Ora Blue and Charley Wilson, Brothers-in-law of Gale Harris, were fishing in a boat out on Fulk Lake. They told the townspeople that their fishing was rudely interrupted when a turtle suddenly surfaced along side their boat. The two men stated that the turtles back was bigger than a dinning room table and had a head the size of a child. Oscar Fulk, the original owner of the property, reported seeing the turtle back in 1898. Many of the townspeople were not sure about the tall tale and Gale Harris, who owned the property containing Fulk Lake, launched a massive effort to track down the beast and display him to all the world. The search began during a lull in major news and editors across the nation latched onto the story.

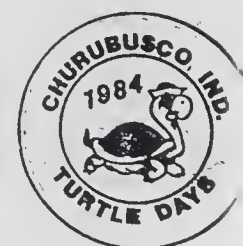

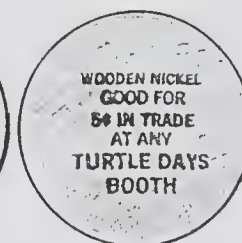

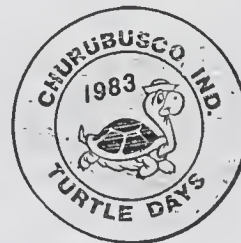

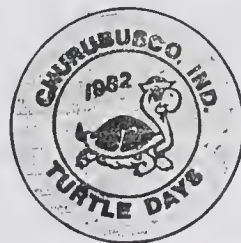

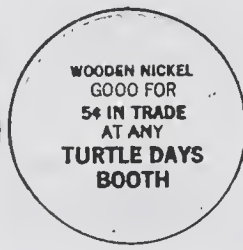

Headlines were reporting the story and of the search being conducted for the giant turtle of Churubusco.

In a matter of days, folks in New York to Chicago were as interested in the giant turtle as most of the local folk. The Fort Wayne newspapers gave the turtle the name of Oscar, the 'Beast of Busco'. On March 12, 1949, over 200 people traveled to the Harris farm to watch the search. The following day it was bumper to bumper traffic that wound around the town and took on a circus-like atmosphere. By March 14, 3,000 visitors to include on the spot media, trampled across the Harris property in hopes of seeing "Oscar".

Traps were set in the lake but could not hold their captive for long. Divers were sent into the lake to search for the turtle but the water was not clear enough to see. Tracks were found along some of the lakes banks where a large object had moved from the water and then went back in. Ultimately, illness and bad luck forced Harris to call off his search prior to finding the giant turtle.

Churubusco quickly latched onto the turtle theme, starting the Turtle Days Festival in 1950. It is held for four days in June. Turtle Days has all the traditional features such as rides, games, food stands, a merchant's tent, a parade with a yearly theme and nightly entertainment. The high point of the festival is the annual turtle races. Turtle after turtle is eliminated until one emerges the winner.

Wooden nickels were printed for the 1979, 80, 81, 82, 83 and 84 festivals. 1,000 pieces were printed for each year and were handed out along the parade route in Churubusco.

FACTS ABOUT OFFICIALS

There are over 9,608 officials listed in the Guide Book of Wooden Money 1931-1994 by M. W. Dennis. Pennsylvania is by far the leader at 1,967 official issues. Twenty-six states have listings of 100 or less issues and totaled they are still 687 short of Pennsylvania's. New York comes in 2nd with 911 issues, followed by Ohio with 903 and Illinois with 514. If you are looking for an easy collection to put together you might try Hawaii with 2 issues, Utah at 6, Delaware with 13, Nevada holding 16 or Rhode Island with 17 officials. Most collect by the state they live in so you have to give credit to the members who live in the top four states that have issued wooden money. Submitted by: Robbin Quinn

This concludes the listing of the woods I have in my collection. I have listed the place name, the address (when it appears on the wood), the reverse type and the colors I have. Where I have the complete set I have listed the "all four". I would like to acquire any that I do not have listed in these printings. Even if you have none to sell or trade, I would like to hear from you about them so I can add the information to my "want list". Please send a good clear Xerox copy of the woods you have. Send to P. O. Box 124, Highspire, PA 17034
Thank you- Bob Brown

Bob's "want list" will be posted in the June issue of Bunyan's Chips.

IOWMC RAFFLE/BENEFIT DRAWING - 2002

In your last Bunyan Chips you received tickets and explanation about our Raffle/Benefit Drawing for the year. I have received packages from Ken Paulsen, Gerald Braithwaite, Bill Manifold and Charles M. Luce; also a few one year free dues, along with money donations.

I must apologize for not acknowledging the donations. I have been under the weather due to knee surgery and as soon as I am able I will take care of this.

Please keep your ticket stubs and money, as well as any donations you have, COMING as this is very important due to raising cost ~~==~~ and now another increase in postage.

Thank you for your participation and I know we will have another successful Raffle/Benefit Drawing this year.

PRESIDENT'S CHIPS

ANA New York and our annual meeting are just one month away, and I get the sense that many of our members will not be attending, due to expense, distance, and just because it's in New York. This is unfortunate because we conduct the business of this club at the ANA Conventions under the Bylaws. Will you be there? Please drop me a line if you will at my address below.

DWMC recognizes this problem and will be holding their meeting at the Penn-Ohio Wooden Money Traders show in September. Unfortunately my work schedule will most likely prevent me from attending this show, but that shouldn't stop you from being there. It is a far more friendly atmosphere than New York. I have long been a proponent of holding meetings at regional shows around the country as an outreach for this organization. Maybe this is a good place to start. Please let me know your views.

Extending this thought a bit more, we come to Fostoria. This city in Ohio has long been a mecca for woodies and we held two highly successful meetings there in conjunction with the local coin club's show. I enjoyed the one that I attended in 1997, and would not mind going back for another visit. Should IOWMC sponsor another Fostoria get-together? If enough members say "Yes" we will try to do exactly that.

If you decide to come to New York, our meetings will be on Wednesday, 31 July, with the board meeting kicking off at 0930 and the membership meeting at 1100. Both meetings will be held in the Herald room of the Marriott Marquis Hotel in Times Square. My convention will be a busy one as usual, with many club meetings, exhibits judging, manning club tables, dinners and banquets, seeing old friends and meeting new ones, and of course trying to add to the collections at a world-class bourse. I hope to see you there.

My email address is bobfritsch@earthlink.net and USPS is Box 3003, Nashua, NH 03061-3003. Please drop a line and let me know your views and concerns

FROM THE EDITOR'S DESK

The circle of friendship has been broken once again by the passing of Pearl Buoker. Pearl passed away on June 8, 2002. She was born on May 26, 1915 in Bellevue, Ohio. Many know Pearl as a wood collector (R-2029). But also as Mrs. Halloween, Mrs. Puritan, Mrs. Santa Claus, Mrs. Valentine, Mrs. St. Pat, Mrs. Easter, Betsey Ross and Raggedy Ann. She was a member of "Clowns of America" and then became known as Mrs. Heart and Mrs. Cottontail. She was in parades, festivals, visited home bound, nursing homes, and hospitals. Many of Pearl's wood issues reflect the many things she had done during her lifetime. On the front cover of the July 1994, Vol. 30, issue #7, you will find her photo and the story that Denver Howard received from her. She brought joy and happiness to hundreds of people if only for a brief time. Truly to be missed by her family and friends. The ending remarks from the 1994 issue states "A IOWMC member, Bill Manifold crossed my path and will always be grateful to be a member in a wood collectors club. After being in the business world and the past 24 years making ones happy as a Clown". She had plans at that time to add wood issues to member's collections and that of her clowning around. Pearl wrote to many members and her letters will be missed.

PRINCE GEORGE SPRUCE DOLLAR

By Jerry Remick R-1476

In 1958, the Prince George Chamber of Commerce in Prince George, British Columbia, Canada, issued the first large municipal trade token to the public. These issues are 1/4" X 2 3/4" rounds printed on white spruce wood. These were sold for \$1.00 to the tourists and could be redeemed for merchandise. Over the years, these issues became souvenirs for the tourists and wooden money collectors alike. For many years, this has been the largest wooden trade token issued in Canada.

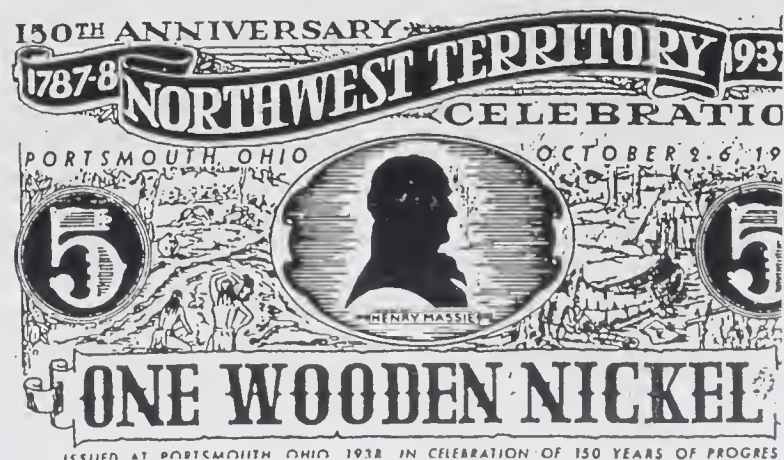

Early in May, the 154th spruce dollar was released for sale to collectors. The obverse side (printed in red ink) of the 2002 wooden token commemorates the gold medals won by the Canadian Men's and Woman's hockey teams at the 2002 Salt Lake City (Utah) Winter Olympic Games. The design shows a male and female hockey player facing off with the puck between them. The reverse side (printed in black ink) shows a map of British Columbia, indicating where Prince George is situated. The mascot of Prince George, a wooden man made of spruce, who is called Mr. P.G., is shown in the upper right corner. Members of the Chamber of Commerce designed the wood. Rocket Signs and Promotions of Prince George printed 300 issues.

The 2002 \$3.00 wooden municipal trade token is available postpaid for \$5.58 for Canadian residents and \$3.52 U.S. for U.S. residents. Send your order to: Prince George Chamber of Commerce, Attn: Tracey Stad, 890 Vancouver Street, Prince George, B.C., Canada V2L 2P5 Some past issues are still available so request information about their sale.

DID YOU KNOW OR JUST FORGET?

One of the principal souvenirs of the Portsmouth, Ohio, Northwest Territory celebration held October 2-6, 1938, were a set of five flats (oblongs). Each of the five issues depicts some phase of the city's history and each issue had a different colored "face". There were 20,000 printed for each series making a total of 100,000 pieces. The first issue printed in foliage green to represent the forest that existed in the early days of Portsmouth. The second issue printed in scarlet, to indicate the battles fought against the Indians, portrays the home in which Julia Marlowe, famous Shakespearean actress, lived in Portsmouth. The third issue was printed in bronze blue, to signify the beauty of the rich Ohio River valley. It contains a drawing of the river steamer Bonanza, first side-wheeler to ply the Ohio river. The fourth issue typifies the history and scenery in and near Portsmouth with a drawing of the famous Serpent Mound. The color for this is maroon, to indicate the ancient history of the Mound Builders. On the fifth issue is depicted the city's industrial importance through a drawing of the old Portsmouth Iron Works, first local steel plant. Its color is violet, a pastel shade chosen for its brilliance, indicating modern industrial "streamlined" achievement. Designers of the wooden nickels were William Faivre, Paul Jordan and B. Leroy Compton. The trio of designers worked into the wooden nickels other schemes to signify the local importance of the celebration. There are sketches of Mound Builders, Indians, a canal boat and the modern Portsmouth metropolitan skyline looming up from the riverfront in back of the modern U. S. Grant Bridge. A complete set consists of one of each of the five series printed with the grain in the wood extending horizontally, and one of each of the five series printed with the wood's grain extending vertically. One in every seven of the woods printed contained the vertical grain, while the other six have a horizontal grain. Submitted by; Norm Boughton

PRESIDENT'S CHIPS

Right now I am busy preparing the agenda for the annual meeting, which will be held in just two short weeks. While reviewing my past submissions to this column, I realize that I have never told you much about myself. I know Robbin has suggested it several times, so here goes.

I am a retired Navy Chief Petty Officer with nearly 24 years of service. My duties stationed me in Alaska, Japan, Germany, Maine, Scotland, Virginia, Spain, Washington, and of course at sea with several deployments to the Mediterranean. My interest in numismatics was a direct result of those assignments. I started out collecting circulating coins of countries I had visited (28 so far and counting).

Although I joined the ANA in 1976, I was not active in numismatic clubs until retirement in 1988. I then joined a few local clubs and started taking office in them. I started collecting New Hampshire during this period, and that interest has blossomed out to include just about any numismatic item from this state. My first ANA Convention was Chicago 1991, but the first I attended for the full duration was Baltimore 1993. There I met many delightful people in the national arena and joined a few clubs there on the spot.

My real turning point was when I assumed President of the New England Numismatic Association (NENA) In 1994. That same year I was President of our local coin club, and the state organization too, making me one of the few to be President of a local, state and regional numismatic organization at the same time. As part of my NENA duties, I visit several clubs, liked what I saw, and joined them. My interest in NH prompted joining several more to get information about what was out there. Coupled with my widespread interest in "neat stuff", I now belong to over 30 clubs, many of them as a Life Member, and I have a very hard time saying "No" when office is offered to me. I collect the aforementioned world coins: New Hampshire medals, tokens, woods, elongateds, encased, and food stamp change; ancient coins; numismatic literature; Mardi Gras Doubloons; Conder Tokens; medals of a Swiss sculptor; and ship "coins"

Add to that the President of this august organization, The Elongated Collectors, and the NH Numismatic Association, editor of the NHNA newsletter, editor for the local NCC issues, submit articles for various journals on stuff that interests me; Secretary- Treasure of the Nashua (NH) Coin Club; Board Member of NENA, Boston Numismatic Society, Collectors Club of Boston, Medal Collectors of America, Token and Medal Society; ANA District Delegate for NH and MA- soon to be Regional Coordinator for Northern New England; and a member of the NH Commemorative Coin Committee that chose the design for our state's quarter. Keep me busy.

As always, I am happy to hear from you. Email is bobfritsch@earthlink.net and USPS is P. O. Box 3003, Nashua, NH 03061-3003. See you in New York

WOODEN MONEY SWAP MEET

The Penn Ohio Wooden Money Traders will hold their annual swap meet on September 21, 2002. This is being held in Vienna, Ohio. Many get together for dinner on Friday the 20th in Warren. Bill Snider has set aside some rooms at the Days Inn located in Gerard. Rates are \$47.53 per night. To make your reservations call (330) 759-3410. Tell them you're with the wooden money group #60490653. Rates are only good until September 1st so call them soon. Anyone wishing to attend the swap meet and dinner or obtain more information about the events can contact Pat Whalen, 8156 Wheeler St., Masury, OH 44438-9787 (330) 448-0708 after 5 PM. All of the past swap meets have been well attended and more attend every year. Come spend a day with your fellow collectors, enjoy what the hobby is all about, and add some wood to your collection!

Any members wanting a copy of the McDonald Senior Citizen wood issues that were listed during the past four months in Chips? Send a #10 SASE and I'll mail copies of the articles to you.~ Editor~

DUNKIN' DONUTS LIST FOR SALE

As of February 2001, a listing of Dunkin' Donuts has been created with contributions by R. Allgood, M. Boughton, R. Brown, C. List, R. Nobbs, K. Paulsen, and T. Wolverton. This listing is 2.5 pages printed on 8.5 X 11 paper. Cost is \$1.00 each with a self addressed #10 envelope. Send you request to; Norm Boughton, P. O. Box 1, Macedon, NY 14502

If there are any members who have Dunkin' Donuts or the McDonald Senior Citizen wood issues to sell, please contact the club editor? Members have shown an interest in these issues and we can place ads in the September issue or I'll pass the information along. Thank you.

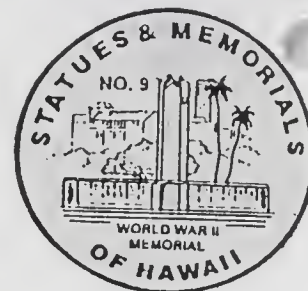

Can someone send me a good copy of the 1953 and 1973 wood issues from Newton Falls, Ohio? I'm working on a story for Chips and could use the material in my article. Send to Bunyan's Chips, 5295 Beechwood Road, Ravenna, OH 44266-9119

STATUES & MEMORIALS SERIES #9 WORLD WAR II

Near the intersection of South King Street and Punchbowl Street across from the Library of Hawaii in the outskirt of downtown Honolulu, stands a monumental memorial of World War II. Roy King, a Honolulu sculptor was the designer. A dedication took place in December 7, 1944 with a list of 752 names of men who died for our country is on that memorial. There is a motto written: In honor of all Americans of Hawaii who died in the World War that the beauty of freedom of our land might be preserved for all humanity.

On the reverse of the token is a Guava or Kuawa plant, a shrubby tree very common in lower, wet land areas in Hawaii. Part of the Myrtle family, the fruit is yellow when ripen and a pink flesh with many seeds inside and very nutritious.

The wood is printed in green ink on both sides and comes attached to a special insert. Cost is \$1.00 each postage paid. Send your orders to Honolulu Coin Club, P. O. Box 6063, Honolulu, HI 96818

PAST ISSUES NEEDED

WORLDS LARGEST WOODEN NICKEL

The world's largest wooden nickel was located in Boisetown, Canada. That nickel, featured at the Central New Brunswick Woodman's Museum, was built in 1995, is 12 feet in diameter, and is 1 and ¼ inches thick.

On June 22, 2002, the World's Largest Wooden Nickel was unveiled officially in San Antonio, Texas. This wooden nickel is 13 feet 4 inches in diameter, is 5 and ½ inches thick, and weighs around 2,500 pounds.

Herb Hornung, who bought the Old Time Wooden Nickel Company in 1995, is the new titleholder.

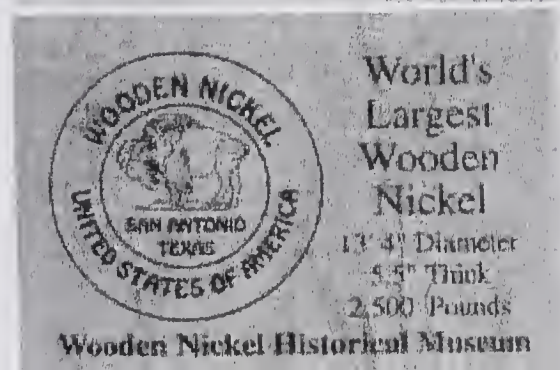

Painted on one side is a buffalo, with "San Antonio, Texas" painted below. On the other side is a seal of the Boy Scouts of America, who traditionally use wooden nickels at gatherings. This side will be changed to honor other civic groups as well. The nickel hangs in front of the Wooden Nickel Museum located at 345 Austin Road.

For the unveiling, the U. S. Post Office had a special postal substation at the museum and offered a commemorative first-day postmark for the occasion.

The two commemorative wooden postcards pictured below are being offered at \$3.00 each or both for \$5.00 (add \$1.50 per order for US/Canada shipping)

ELONGATED WOOD ISSUED

The Indian Hill Coin Club (Lake County, Illinois) has issued an elongated wooden nickel featuring an "Indian Eagle Dancer" for its 2002 annual coin show. The show will be held on Sunday October 27, 2002 at the American Legion Post 771 in Gurnee, Illinois. Also issued is a 2" X 2" wooden "Buffalo Chip" which fits perfectly in album storage pages. Both items are available as a set for \$1.00 plus an SASE. Orders can be sent to Mike Hanninen, 2401 Jethro Ave., Zion, IL 60099

COLONIAL CRAFT FAIR WOODS

On June 8th & 9th, 2002, the Middletown Area Historical Society held it's 27th Annual Colonial Craft Fair at Hoffer Park in Middletown, PA. The two woods for this year show the Smuller House and the Homestead Savings & Loan Association buildings. The cost of the woods is \$1.00 per pair plus an SASE and can be ordered from the Middletown Area Historical Society at P. O. Box 248, Middletown, PA 17057

FROM THE EDITOR'S DESK

It is with a heavy heart that I must report that Sally Kirka has passed away. Her June newsletter envelope was returned and marked as deceased. Sally held the office of President in 1984, 1990 and 1991. It was during her last year as President of IOWMC that I held the office of club secretary and corresponded by mail and phone with her. Her family and friends will miss her.

Remember that there will be no mailing of the Aug. newsletter. This time has been set aside so the editor can attend the ANA. I'm bending the rules this year and will miss the ANA meeting so that I can attend the graduation of my son from Navy boot camp in Aug. Your next issue will be in September. Until Next Time *Rob Quinn*

SEPTEMBER

2002

PRESIDENT'S CHIPS

Here it is September already, and another ANA Convention is history. It was extremely busy for me, as has the intervening month. Our editor has had to remind me twice to send my article to him.

Needless to say, the IOWMC meetings in New York were disappointing. We had only three officers and no board members present. As a result, we could only talk about club business but could not act on many important issues. Most of our members determined that New York was too expensive and did not come. While I don't blame them, it still hurts to see only a few people at a usually packed and vibrant meeting. I will be sending a letter of protest on behalf of the club to the ANA for choosing New York after only five years when there are many more desirable places to meet. Next year's meetings are in Baltimore which should see our attendance back to normal levels.

My thanks to Wayne and Virginia Dennis, Clint List, Ed and Mariellen Herman, Reva Kline, Jean Barrett, and Julie Morgan for visiting with us.

Items of discussion included an explanation of the cataloging initiative, Thanks to Robbin Quinn for creating a new member welcome letter, renewal of honorary membership for Numismatic News and Coin World, and the fact that our treasury is healthy but costs are rising. Tabled items included creation of a web site, a dues raise, official sponsorship of local meetings, and IOWMC sponsorship of another Fostoria gathering. These issues will have to wait another year before resolution.

One item that can be worked on throughout the year is creation of a slide show about collecting wooden money for the ANA Library. Someone would have to write the script and then borrow material from members for photographing. The owners could take the pictures if they are so inclined. Any volunteers?

One very pleasurable duty I had was to call the auction. Great bargains were to be had and while we sold many lots, an equal number were left over. We will see them in Baltimore next year.

This month was the POWMT annual wooden money swap meet held in Vienna, Ohio. Members from both the IOWMC and DWMC will be attending this year's event. I will be at sea with the Navy and will be unable to attend this year.

Until next month- Bob Fritsch

FROM THE EDITOR'S DESK

Donald Vondrasek passed away on July 26, 2002.

After 30 years of service, he retired from the security department at General Motors V8 plant in Flint, MI. Don was born June 23, 1934 in Oakley, MI. He is a graduate of Chesaning High School and received his Master's Degree in Criminal Justice from Michigan State University. He served in the United States Marine Corp during the Korean Conflict. He held a 5th-degree black belt in judo; was an

instructor/sensai for 40 years; and entered the Judo Hall of Fame. Don was no longer collecting wooden money and placed mail bids in the newsletter for the past two years. He wanted his woods to go to collectors who needed the issues. Many who won bids, found a little "extra" in their mailings from Don I'm sure. He was very fair in his dealings and more than generous to fellow collectors that dealt with him. As the editor of Bunyan's Chips, my job only becomes difficult when I must report the passing of a friend. I find that it does not become any easier with each loss that I must report. Our sympathy goes out to his family and friends. Robbin Quinn-editor

BOARD MEETING 7-31-02

Meeting called to order by President Bob Fritsch at 10:25 a.m. with a pledge of allegiance to the flag.

Present were the President and three officers.

President- Bob Fritsch

1st V.P.-Virginia Dennis

Treasurer- Wayne Dennis

Life member- Clinton List

This was an Official/Unofficial meeting. No Quorum.

Treasurer's report was read and accepted. No secretary report because of his absence.

Discussion of dues increase was suggested and it was tabled for now. Also discussion was our checking account. Should it drop down low, we will draw money from the life membership account. This was agreed upon. Coin World and Numismatic News will continue to receive honorary memberships for the publicity they provide our organization during the year. There was a short discussion on a web site for IOWMC. It was tabled. We would need a web master so more discussion on this later. The Fostoria show was brought up, consensus was no IOWMC support. Discussion was also brought up on making a set of slides on wooden money so it could be donated to the ANA library. Bob Fritsch agreed to do the camera work and the only charge would be for materials needed to do the job. A few members came in for the regular meeting, so the Board meeting was closed at 11:10 a.m. Submitted by; M Wayne Dennis

**Official Meeting IOWMC Marriott Marquis Hotel
Harold Room New York City 7-31-2002**

Meeting called to order at 11:24 a.m. by President Bob Fritsch. Pledge of allegiance to the flag. The President called for an introduction of those present including the guest from Coin World. Treasurer's report was read and accepted. Motioned by Clinton List, and 2nd by Ed Herman. It was unanimous to give Coin World and Numismatic News Honoree membership for another year for their coverage of our activities. There was some discussion of a wooden money site other than the ANA. Nothing concrete-tabled for a later date. Discussion was made as to the slide show presentation of wooden money with the intention of donating it to the ANA Library. Members present were in agreement. Nothing definite as to what kind of wood slides or of what (which ones) or how many would be made.

Awards for the New York meeting as follows

Literary Award- Bob Brown

TUSCARAWAS COUNTY COIN CLUB

In 1959, K. D. Espenschied placed an ad in a local paper, Asking if anyone was interested in organizing a coin club in their area. On Nov. 16, 1959, the first meeting was held in Dover

with 14 people present. During the second meeting on December 28, 1959, "Tuscarawas County Coin Club" was selected as the official title by all members present. The following Feb. the charter closed with 40 members. Rosey Croniser of Uhrichsville designed the emblem for the club. Made up of important industries and landmarks of Tuscarawas County. The monument symbolizes the Indian Massacre, which took place at Gnadenhutten. The sewer pipe is for the Robinson Clay Company of Midvale, the world's largest sewer pipe plant. (This has gone out of business) The cheese is for the large cheese industry located in the county. The arrowhead and log cabin are for Schoenburn Village, a historical park located in New Philadelphia. In 1971 an article featured in Coin World called their coin club "The biggest small club in Ohio". It became their club's motto.

Woods are available for each show dating back to 1988. Price is 25 cents each or five for \$1.00

OCTOBER

2002

HISTORY OF THE CIRCLEVILLE PUMPKIN FESTIVAL

This far famed and unique agricultural exhibit and street fair had its humble origin in October, 1903, when George R. Haswell, then Mayor of Circleville, and superintendent of the water works, conceived an idea of holding a small exhibit in front of his place on West Main Street. Corn fodder and pumpkins (many of them cut into Jack-O-Lanterns)

formed the principle decorations, and were responsible for it being dubbed "the pumpkin show". On the following year some enterprising neighborhood merchants joined Mr. Haswell and the exhibition grew steadily in its scope, interest and attendance. The first merry-go-round was set up at the corner of Main and Scioto Streets for the 1905 show.

Later a permanent organization (of which the Mayor is always president in honor of the founder) made up entirely of volunteers, resolved to hold an annual Pumpkin Show on the streets of Circleville for the purpose of maintaining and promoting a more friendly relationship with the patrons and visitors of the community, and to further promote and extend agricultural pursuit and to award premiums for the display of grain, fruits and vegetables, school displays, and such other displays that are best calculated to promote the best interests of Circleville and Pickaway County.

Ever alert to keep the Pumpkin Show fair, clean and above reproach in every respect has contributed largely to its becoming the sixth largest festival in the United States with an annual attendance in four days and nights of over 300,000 persons and its claim to being the "Greatest Free Show On Earth" as no admission charge or entry fee is made.

On August 8, 1946 a non-profit corporation, the Circleville Pumpkin Show, Inc., was formed for the operation of the Pumpkin Show and any profits to be derived from the show was to be used for the betterment of the citizens and several thousands of dollars have been turned over to the City of Circleville for community projects.

No special recognition is given any individual or group of individuals as the success of the show is due to complete cooperation of everyone in Circleville and the Pickaway County area.

At this year's festival, awards for the largest pumpkins stood at 935 pounds for 1st place, 794 pounds for 2nd, and 691 pounds took 3rd. The world's largest Pumpkin pie was also displayed at the Pumpkin Show. It was 350 pounds, 5 feet in diameter, 80 pounds of pumpkin made its filling with the help of 16 pounds of sugar, 12 dozen eggs and took 6 hours to fully bake.

Starting in 1934 and up until 1979, twenty-four wooden nickels have been printed to cover some of the years that this festival has been running. The first was in 1934 with the issue of 5 wooden rounds in colors of Black, blue, green, silver and red. In 1947, 48, 49, 50, 51, 52, 53, 54, 55 and 56, only one or two woods were issued for each year of the festival. Then in 1963, 64, 65, 68, 69 and 70, woods were issued out as souvenirs of the Pumpkin Show. Submitted By: Robbin Quinn

FINAL REPORT - IOWMC BENEFIT/RAFFLE DRAWING -- JULY 30, 2002

Total ticket sales (by mail) \$534.50; ticket sales at meeting \$34.00; Auction netted \$141.77; and there were nineteen (19) one year free dues - \$142.50. Total came to \$852.77; but expenses were \$85.57, which leaves a profit of \$767.20.

(Expenses included purchase of drawing tickets, envelopes and mailing all to Editor. In addition thirty-nine (39) door prizes had to be mailed.)

Thanks again to the members who supported this well-worth project for IOWMC. Members who sent donations were: Mary Barnavich, Gerald Braithwaite, Robert Brown, Gerald Conroy, Mary and Del Cushing, Harry Davis, Wayne and Virginia Dennis, Denver Howard, Robert Fritsch, Lewis Janzow, Reva Kline, John Lawrence, Charles Luce, Gelvin Leeper, Bill Manifold, William Morphet, Allen Nystrom, Ken Paulsen, Robbin Quinn, George Schweinfurth, Arthur Sloan, Bill Snider, Don Thibodeau, Edward Thomas, Floyd Thomas, Larry White and Al Zaika. (Few of the donations were left over from the previous year).

Members who purchased additional tickets and/or donated extra money were: Richard Basso, John Bowers, Peter Caminati, David Clouse, Frank Cover, Cliff Gabard, J. C. Hoffman, David Hunsicker, Wally Krocsko, John Lawrence, Charles Luce, Ken Paulsen, Alfred Schubert, Bill Snider, Floyd Thomas, Richard Wiltberger and Ted Wolverton. Also William Baab, Gelvin Leeper and Al Zaika.

Auction was conducted by Robert Fritsch who was assisted by Wayne Dennis and Clint List. As all previous auctioneers, Robert did a super job in selling many of the items. There were eight (8) members who submitted mail bids and each were successful in getting all or a portion of their bids.

Wayne Dennis was in charge of having each person in attendance draw the winning ticket for the door prize— a total of 47. Since attendance was very low, each person present, who was lucky to win a door prize, selected his or her own.

All door prizes, except for the free membership dues, were mailed in Las Vegas, NV on Monday following our meeting on Wednesday. Also mailed all successful bidders their auction wins. This was all I was able to do as I was admitted to the hospital (second time) for surgery, this time a new knee replacement.

A special Thank You to Clint List who set up all the door prizes and auction material for me. I really appreciated this very much.

On behalf of myself, the IOWMC Officers and Board Members, THANK YOU ALL who continuously support our great organization.

THANK YOU ALL.

2002 PERSONALIZED CHRISTMAS AND HANUKAH WOODEN NICKELS

Details on ordering 2002 Christmas and Hanukkah wooden nickels, supplied to me recently, by 4 wood printers, are presented in this article. Please contact any of the printers you wish, at once, in order to obtain their brochure showing designs, colors, shapes, sizes, and price data on their issues, so that you can place your order as soon as possible. Mailing is slow for packages and it takes time to print the orders.

CANADA WIDE WOODS

Canada Wide Woods, General Delivery, Gladhill, Ontario, Canada N0K 1J0, telephone (519) 271-3352 (Larry Walker) and (519) 273-1715 (Bill Cousins) offers 3 designs for the obverse side of their 2 X 3 inch laminated flat woods, consisting of light maple on one side and dark walnut on the reverse. Only the maple side is printed, using bright foil colors applied to the wood by the hot stamped process. The issuer chooses one foil color for the design and one foil color for his name, etc. The firm offers the following three designs: A large Christmas tree with wrapped gifts around the bottom of the tree, four wrapped Christmas gifts, and a sign pointing to the North Pole. "Merry Christmas" is printed on the first to offers and "Seasons Greetings" are printed on the third type. There is room for your name and address at the left side. 100 of the 2 x 3 inch printed flats, exclusive of postage, are \$68 Canadian or \$45. U.S. A magnet can be attached to the walnut side for an additional 7 cents each. This is the first time this type of wood has been available to all collectors for issues of Christmas woods

NORMAN BELSTEN

For this year only, Norman Belsten, 86 Hamilton Drive, Newmarket, Ontario, Canada L3Y 3E8, phone (905) 868-9187 is able to make Christmas woods only for those who ordered Christmas woods from him last year.

Both sides are printed in the same color (black, blue, green or red). A different color for the second side is \$18.00 extra. The 1.5 inch woods are printed as follows: 100 for \$33.00, 250 for \$46.00 and 500 at \$62.00. 2 inch woods are priced as follows: 100 for \$59.00, 250 for \$83.00 and 500 at \$114.00. There is no charge for custom set-up of the senders personal data on the reverse. Shipping is \$8.75 for up to 500 woods for U.S. residents and \$19.00 per 500 for Canadian residents. Visa, Master Card and Discover are accepted. All the above prices are in U. S. funds.

JERRY LEDET

Jerry Ledet, Bayou Products Co., P. O. Box 1117, Thiboudoux, Louisiana 70302, telephone (504) 447-8472 and fax (504) 447-8474 illustrates 8 standard designs for 1.5 inch round Christmas woods and an attractive design for Hanukkah in his brochure. Jerry offers one of his standard holiday designs for one side of a 1.5 inch round wood and the senders personal data on the other side with a maximum of 80 characters and prices at the following prices: 100 for \$24.00 plus \$2.50 for shipping U. S. residents and \$2.90 for Canadian residents, 250 woods for \$29.00 plus \$3.00 for U. S. and \$5.50 for Canadian orders. There is no extra charge for the side with the senders name and other data. From a selection of 6 colors of ink, the issuer may choose one for both sides of their woods. If a different color is desired for the second side, there is an additional charge of \$7.50. All prices are in U. S. funds.

JOHN LAWRENCE

John Lawrence, 25 North Wayne Ave., West Haverstraw, NY 10993, phone (845) 429-2802 makes personalized holiday wood flats on 1/32 inch thick balsa wood in 5 different sizes. Three colors of ink are used on both sides, with the issuer choosing the colors. John illustrates 58 obverse designs for Christmas and Hanukkah wood flats and 11 holiday verses for the reverse side in his 6 page brochure. A few of John's woods show paintings from the Renaissance period. The price for the minimum order of 100 wood flats is as follows: 2 x 2.25 flat (\$22.75, 2 x 3 flat (\$31.75, 2 x 4 flat (\$37.75), 3 x 4 flat (\$43.75) and 3 x 5.5 flats are (63.75). Postage is extra. There is no extra charge for your name and address on the reverse side or your own verse. Also available are long, flat wooden sticks, three-fifths inches wide and 6 inches long, that resemble tongue depressors used by doctor's. Two lines of text on one side with the value of 5 cents (if desired) at each end, all in two colors, are available at 25 for \$5.50 to 100 for \$15.50, plus postage. All the above are in U. S. prices

The above material was provided by Jerry Remick R-1476. Jerry has submitted this material ever year for many years. Members who purchase Christmas woods mail them to family and friends. Many trade one for one or sell them at 25 cents each at Christmas time. Thanks for your effort and time on this project each year Jerry!

PRESIDENT'S CHIPS

It is Thanksgiving already, and I am freshly back from a trip through the Caribbean with the Navy. We stopped at Guantanamo Bay, Cuba, for a day, which was a nice nostalgic trip for me as I served several stints of temporary duty there in the early 80's. I left the ship at St. John, USV1, but found no wooden nickels there.

I'm disappointed to hear that the turnout at the Penn-Ohio gathering was not that heavy. This show was supposed to be the replacement for the ANA convention this year. While DWMC was able to conduct their business, low attendance severely inhibits the ability to do so. Witness our own annual meeting at New York- we had to leave a lot of issues until next year because we did not have a quorum of members or the Board there.

One of those issues was another meeting in Fostoria. To me this makes sense, and I have received several letters supporting the idea. It gives people in that part of the world a chance to attend an IOWMC event without having to travel long distances to an ANA convention. What also makes sense to me are similar gatherings at various coin shows throughout the land. Most show promoters welcome such meetings as it has the potential to boost their attendance. Mid-America, Central States, New England, California State and other state shows all come to mind. If you want to contribute a bit of time setting up something like this in your area, let me know and I will get some IOWMC material for you.

THINK BALTIMORE!! That is the location for next year's ANA convention on July 30- August 3, 2003. Baltimore has great accommodations and transportation, so an inexpensive hotel can be had within commuting distance. It is never too early to book your rooms as they go quickly the closer it gets to show time. For those on the web, <http://www.money.org/conventiondept.html> has details on the hotels in the immediate vicinity of the convention center. I would love to see a huge turnout there.

Finally, I want to thank Bob Kirk for compiling a comprehensive listing of West Virginia woods. He has done a magnificent job and we will be publishing his work in several upcoming issues of BC. This is the first of the state cataloging initiatives that we started last year. We still need volunteers to do most of the states, so dust off your inventories and send them in for publication.

Keep those cards and letters coming. Email is bobfritsch@earthlink.net (please put "IOWMC" somewhere in the title) and USPS is P. O. Box 3003, Nashua, NH 03061-3003

FROM THE EDITOR'S DESK

This month is sure going fast enough around here. I've received one Christmas wood for the Dec. BC. If you have a Christmas wood issue to trade or sell, send one to me for the next issue of BC. Thanks to all the members who sent in material for this year. Without the help of so many, your newsletter would only be a monthly flyer at best. Robbin Quinn- editor

AN APOLOGY & A THANK YOU

Sometime back I ordered new membership cards to be printed. John Lawrence printed these cards for the club and donated the cost of his time and expenses to the GOOD-OF-THE-ORDER, the IOWMC. I was definitely remiss in not recognizing this major contribution before this. John, I offer my sincerest apology for taking this long in saying "Thank You" on behalf of the club. It is these kind of contributions to the club by it's members which keeps the organization from having to raise the dues every couple of years to keep up with the increased costs of operation. So when you receive your membership card, say a thank you to John for his generous contribution.

While on the subject of recognition, I would like to add some names that do an outstanding job for the club. Virginia and Wayne Dennis have been handling the Auction/mail bid for as long as I have been a member of IOWMC (1983). This task which requires a great deal of time to assemble, catalog, prepare for auction/mail bid, and to send to the lucky winners after the annual meeting. Even when their own health was a reason to step aside, they did not. Thank You, Virginia & Wayne for your efforts to the club.

Next I want to express my appreciation to our Editor: Robbin Quinn for his continued effort to produce a newsletter every month, which is both informative and enjoyable to read. Having been in the editor's position in the past for another organization I have a good idea of the amount of time it requires to produce a newsletter. KEEP UP THE GOOD WORK
ROBBIN.

This summer I passed up the New York ANA Convention and worked at the Canadian Numismatic Association's Convention in Vancouver, British Columbia. I have been a member of one of the sponsoring organizations since 1979 and was in on the planning for this convention. I did not take an active part in committees because of travel distance from Seattle. I found that the convention was well organized with enthusiastic people doing everything possible to have a good convention. I was fortunate in meeting with people who I have corresponded with but never met. Dave Phillips and I have been working on the Alaska Wooden Money catalog for sometime now and were able to get together in a rather strange fashion. He was setting at one table talking to a dealer while I was sitting at another dealers table when I heard talking about a coin club in Port Alberni, B.C.. I casually asked him if he knew Dave Phillips and was pleasantly surprised to meet him for the first time. At this convention was Norm Belsten who many of you know is working on the Canadian Wooden Money Catalog update. We were able to exchange information and I learned quite a bit about the new catalog coming out. Also at the convention was Russell Brown and Ross Kingdom. I was unable to make the meeting of the Canadian Wooden Money Society and can't report on the activities. Maybe we can get Norm to write about that part and how the catalog is coming along.

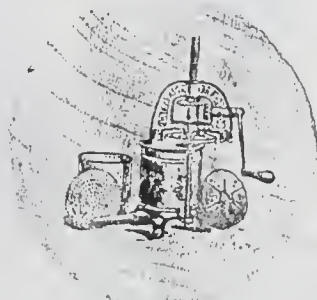

Mary and I also took a cruise/tour to and around Alaska for 3 weeks. The weather could have been a little better but we did get to see Mt. McKinley which apparently is a rare site. We saw Hubbard Glacier up close and was informed by the captain that this was the first time this summer that were able to get close enough to see the glacier. It is 8 miles wide and 76 miles long. It has been fogged in all summer till our trip. The whole trip was a fun trip but next time I plan on driving to see the eastern part of Alaska. While in Anchorage, I stopped at the Loose Change Coin Co. where I met Bill Hamilton, the proprietor. Bill has been issuing several different wooden nickels and I wanted to find out how many for the catalog. After some conversation he produced a big box of wooden nickels from Alaska. I picked out a few and had to leave as the parking meter was running out and he was going to close the shop for the day. I told Bill I would be back the next day. To make a long story short, I picked out over 100 wooden nickels for my collection. Of that group, 85 were ones I needed and the other 22 were pieces which Dave Phillips could use, and a few left over for trading. I talked to a couple Of customers who are members of the Anchorage Coin Club and perhaps we can enlist them as contributors to the Alaska effort. Bill's shop was the only coin shop that I was able to get to while in Alaska so guess I will have to go back and visit the rest of them and hope that they are as friendly and gracious as Bill was. This is my story and I am sticking to it.

Have you taken a vacation or a trip and found wooden money while doing so? Send a short story and it will be published in the newsletter.

Have you ever found wooden money in the most unlikely place? Contact the editor and share your find with fellow wooden money collectors.

WOOD ISSUES AVAILABLE TO COLLECTORS

Ken Paulsen is offering the woods pictured below for sale. Each year Ken spends a great deal of time and postage to locate wood issues for fellow collectors to put into their collections. Prices for the issues are listed below these woods.

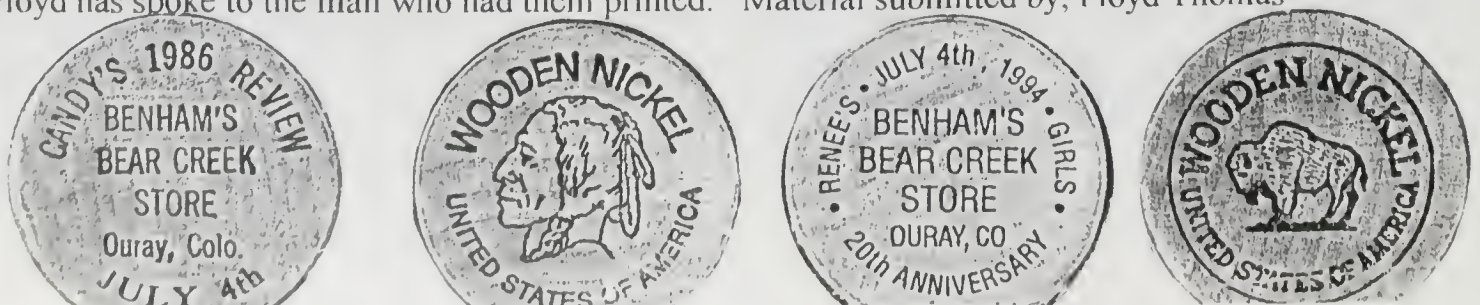

Iowa 1999- Lone Rock Centennial \$1.00 each, Iowa 2002- Lanesboro Centennial 50 cents each, Oklahoma 2001- Kremlin & 2002 Thomas Centennial's 50 cents each. New York 1998- Wayland 150th (semi) 50 cents each. Wisconsin 1996/97- Fifiel 50 cents each. Send your orders to Ken Paulsen, P. O. Box 142327, Overland, MO 63114-0327. Please add sufficient postage. Orders will be shipped in padded mailers. Also, Ken received word that a private wood was available so anyone who collects drugstore and/or North Dakota woods can try a SASE to Carlson Drug, P. O. Box 895, Kenmare, ND 58746

I have some Michigan official rounds for sale at very fair prices. Also anyone collecting coin club woods needs to request my list of woods for sale. Most are from the 60's and 70's and is a small mix from across the United States. Asking prices are very fair. If your into Ohio officials, I have about 150 rounds that I'm willing to trade for the woods I need. Contact Robbin Quinn, 5295 Beechwood Road, Ravenna, OH 44266-9119

4th OF JULY WITH NO FIREWORKS

If you want to know how to celebrate the 4th of July without fireworks or firecrackers then you need to go to Ouray, Colorado. Seems they had one this past year without a single flare of color or any noise makers. They even went without cooking on any barbecue grills in their southwest Colorado community. You see, they like many other towns in Colorado were under a statewide ban on fires, including campfires and charcoal grill cooking. In Ouray, the city fathers were taking no chances. They put an end to two of their yearly traditions: evening fireworks and the parade of cars lit with flares coming down the mountain into town. Even the firefighters canceled their annual water fight as it is a precious commodity during any drought. But the folks in Ouray didn't let the 4th go by with a whimper. They held a day long party. The folks of Ouray put on their own parade by driving down the street in their own vehicles canned music played from each and tended to be on the station of choice for each driver. Folks joined in and walked the route as family members joined the ones already walking. Later the towns people gathered for children's games in the local park. A great time was had by all and not one firework ever lit up the sky in Ouray on the 4th of July. Floyd Thomas reports having 22 wood issues from Ouray, CO. for their 4th of July celebrations. The 1986, 87, 88 and 90 have Renee's Girls printed on them and the 1989, 91, 92 and 93 have Candy's Review printed on them. Reverses are of the standard Indian and Buffalo designs. These were printed up each year by Benham's Bear Creek Store in Ouray, CO. Floyd has spoke to the man who had them printed. Material submitted by; Floyd Thomas

PRESIDENT'S CHIPS

"Tis the season, and I have been receiving many lovely Christmas woods. I thank each of you who took the time to send one. Unfortunately, I again forgot about issuing my own until the first wood arrived, and by then it was too late. I will put it in my calendar for next year.

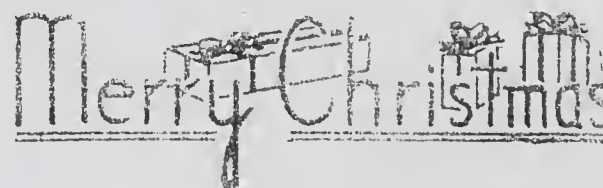

Here in New England, a new coin show is in the planning stages for August. Although this show is a private one, The New England Numismatic Association (NENA), of which I am Past President and current Director, is allied with it. IOWMC has been invited to hold a meeting there, and I have accepted on behalf of our club. Even if there is just one member there (me) we will still hold it. All IOWMC members in New England are invited to attend on Saturday 23 August at a time to be determined. See the web site <http://www.nhcoinexpo.com/index.html> for details on the show as plans solidify.

Speaking of web sites, we need one. A quick Google search revealed that IOWMC also stands for Isle of Wight Motor Cycles and Isle of Wight Mini Club, celebrating the Mini Cooper, a great little car. There are also several hits for our club that is linked to a sex site. I will be writing to each one of these listings asking that the link be removed. In the meantime we need a volunteer to write and host a site for the club. Any takers?

That is all I have for this month. I wish you the warmest holiday greetings and the happiest new year ever. May there be lots of woods in your stockings

THINK BALTIMORE!

Bob Fritsch

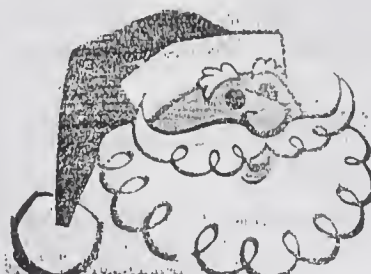

FROM THE EDITOR'S DESK

Thank you to all the members who sent their holiday woods and cards to Shelley and I. If you have missed the Dec. newsletter, I'll print your issue in the Jan. issue. Please remember to note if your wood is for trade or to sell.

I'm cataloging the unlisted official wood issues from Ohio. If you have any in your collection, I'd like to hear from you. I hope to put this listing together during the winter and be able to supply a copy to fellow collectors during next spring. I wish all of you a safe and warm holiday season.

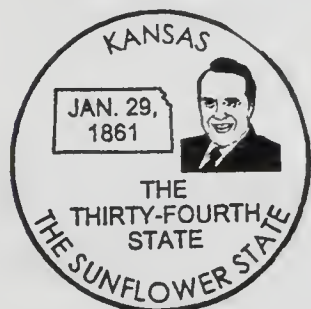

THINK BALTIMORE!

FISHBOWL WOOD AVAILABLE

The Fishbowl Wooden Nickel Coin Club held their annual coin show on August 3, 2002, at the Siren Community Center in Siren, Wisconsin. About 110 people attended which kept things active for the coin dealers. The show concluded with a lively auction. The new 2002 wooden nickel (pictured below) features a Morning Dove printed in black ink. It is available for 25 cents plus an SASE from Fishbowl Wooden Nickel Coin Club, Gary J. Schauls, 2702 150th Street, Luck, WI 54853-3811

FOR JANUARY 2003

Let's remember to send in our dues payment to Del Cushing and make plans for the ANA convention in Baltimore.

2000 CANADIAN SUPPLEMENT

The 2002 Canadian supplement, to the end of December 2001 by Norm Belsten, is now available at \$6.00 plus \$1.00 for postage. The 24 page (8 1/2" X 11") supplement lists all woods issued in Canada since the 2000 listing which covered up to July 1, 2000 as well as any previously unknown and unlisted woods from past years. The province or territory in which the issuer resides, with a separate page for each province and territory lists woods. Spruce dollars issued by the Prince George Chamber of Commerce of Prince George, British Columbia are listed separately. You will find the data is presented for each wood as to a catalog number, location, description, year issued, number of woods printed, obverse and reverse color, rarity rating, shape and size. The total of new woods issued since the 2000 "supplement" is 275. The total number of woods issued in Canada through December 2001 is 6,825. Ask Norm about the cost of the previous listings of Canadian issues that he has. Special listings of different subjects for woods for topical collectors are also available. Norm has listings for such issues as the Canadian Numismatic Association Convention, Ontario Numismatic Association, issues by a particular municipality, Christmas issues and woods issued by a certain collector. These listings are available at very reasonable rates. Contact Norm to find out the cost for any of these areas. Send your order to Norm Belsten, 86 Hamilton Drive, Newmarket, Ontario, Canada L3Y 3E8 or call him at (905) 868-9187 and Receive more information about what he has to offer from Canada.
